Outstanding Service

We are more than just an insurance provider. Our team partners with skilled local insurance brokers to ensure we deliver products and services based specifically on your needs.

We work with our clients and their affiliated associations to develop individualized risk management and claims management programs, advise on procedural or regulatory change as well as an array of other services. Our mandate is clear...help our clients reduce risk.

Clients also benefit from our affiliations with lawyers, adjusters and others that specialize in the public sector. The combination of our service network and internal expertise allow us to continually develop innovative, cost-effective solutions and services tailored to the risks of individual clients.

We care about what you care about.
