

About Frank Cowan Company

Frank Cowan Company has over nine decades of experience providing specialized insurance programs, including risk management and claims services to municipalities and public service, healthcare, education, community, children's and social service organizations across Canada.

The Advantages of a Managing General Agent

Frank Cowan Company is a Managing General Agent (MGA) with the authority to write and service business on behalf of strategic partners who share our commitment and dedication to protecting specialized organizations. Because our partners are long-term participants on our program, they understand the nature of fluctuating market conditions and complex claims.

Client Focused

We invite you to work with a partner who is focused on providing a complete insurance program specific to your organization that includes complimentary value added services that help drive down the cost of claims and innovative first to market products and enhancements. You will receive personalized service and expertise from a full-service, local and in-house team of risk management, claims, marketing and underwriting professionals.

Broad Coverage

New exposures are always emerging; your coverage must continually change to keep pace. We can protect your interests today and into the future.

- First to market coverage such as Cyber Risk Liability, Fraudulently Induced Transfer coverage, and expanded Legal Expense coverage demonstrates our ability to innovate and keep you protected through changing times.

- Comprehensive insurance program and multi-policy package policy.
- Full risk transfer vehicle, not a reciprocal program.

Risk Management Services

Our risk management program goes above and beyond to help prevent loss before it occurs. We will work with you to create a game plan to reduce recurring incidents.

- Risk consulting including contract, policy and procedure reviews, fleet reviews, roads reviews, training seminars and day to day risk advice are all complimentary.
- Loss control inspections for property and liability exposures.
- Risk Management Centre of Excellence – Online resource library dedicated to sharing information and tools to help manage risk. Visit frankcowan.com

Claims Management Services

When a claim occurs, you want fast service, fair representation, and an experienced team looking out for your best interests.

- State of the art technology to better understand your claims history and see your open and closed claims.
- 24/7 claims service to address your claim whenever it occurs.
- Work with in-house professionals who have the experience and context of the Canadian claims environment.
- Complimentary services including claims best practices, guidance on managing claims under your deductible and access to our extensive vendor network.

Built with integrity, leading through innovation.
