Mayor Suzanne D'Eon, Town of Deep River

“Would like to express Council's sincere gratitude to the Frank Cowan Company and The Cowan Foundation for their generous contribution to the improvement of the Town of Deep River's forest trail network.

Having a healthy and active community who can get outside and enjoy exercise and fresh air benefits everyone, both mentally and physically.

The Town of Deep River is known for its extensive cross-country skiing, walking, snow shoeing and mountain biking trail network. This grant will enable improved signage so that more citizens and visitors will feel comfortable and safe enjoying our wonderful trails. My sincere thanks also goes to our

Town staff for putting this grant application together and for their ongoing involvement in getting the signage ready. I look forward to seeing the new signs in place!”
