Town of Deseronto Receives \$3,500 for Community Centre Upgrades from Frank Cowan Company Home Town Program

Princeton, ON – The Town of Deseronto’s community centre is getting sound proofing upgrades after receiving a \$3,500 grant from the Frank Cowan Company Home Town Program.

Installation of sound dampening features in the community centre hall will reduce excessive noise from the HVAC system, improving the quality of the hall and expanding the usage of the space for a variety of social and recreational activities.
