### **The Frank Cowan Company Home Town Program Supports the Municipality of Tweed with a \$5,000 Donation**

Princeton, ON – The Municipality of Tweed is receiving a \$5,000 donation from the Frank Cowan Company Home Town Program to support the community's continued efforts to progress its outdoor recreational space.

The Municipality is committed to providing a space for the entire community to enjoy and benefit from. Plans to install two new benches and two new round picnic tables will be a welcomed addition, providing seating near the Emily Trudeau Splash Pad and playground equipment.

“When municipalities continue to provide and enhance public amenities such as recreational spaces, everyone benefits. We are pleased to support this initiative through the Frank Cowan Company Home Town Program and hope the community enjoys the new and improved recreational space.”

##### **Mayor Jo-Anne Albert, Municipality of Tweed**

“On behalf of the Council of the Municipality of Tweed, I would like to express our sincere appreciation to Frank Cowan Company for their generous support of our Municipality. Their contribution of \$5,000 through the Frank Cowan Company Home Town Program will allow us to purchase two commercial-grade picnic tables and benches to be placed at the Emily Trudeau Splash Pad. The tables and benches will become an integral part of our growing recreation area for all members of the Tweed community to enjoy for many years to come. We are grateful that Frank Cowan Company is supporting this project right here in Tweed. Thank you!”

**Mary D’Alton, Executive Director, The Cowan Foundation**

“The Frank Cowan Company Home Town Program has allowed for both numerous and varied grassroots projects and community improvements to be implemented across the county,” says Mary D’Alton, Executive Director, The Cowan Foundation. “We are proud to continue our support of this municipal-focused program for the third consecutive year, which positively impacts the lives of Canadians and the well-being of our communities.”
