Town of Collingwood Receives $5,500 for Library Quiet Study Area

Princeton, ON – The Frank Cowan Company Home Town Program is pleased to present the Town of Collingwood and the Collingwood Public Library with 5,000 to furnish a new quiet study area. Local insurance broker, Secure Insurance Solutions Group Inc. is contributing an additional $500.00 to the Library.

Community feedback stated the library needed to create more quiet study space in the library. Based on that feedback, the library is reorganizing the second floor to accommodate the request.

“We are very proud to partner with the Frank Cowan Company and their Home Town Program initiative. Giving back to a community is a privilege and fits within our Core Values as an Organization. We welcomed the opportunity to assist the Library and the communities need for a quite study place. When completed, we trust the new space will have a positive impact for its users.”

**Ken Haigh, CEO, Collingwood Public Library**
“In a recent survey of library users, we learned that many of our patrons would like us to provide more quiet study space within the library-somewhere where they can sit, plug-in their laptops, and work in peace. The Home Town Program grant will allow us to meet this need by giving us the ability to construct a custom-built and wired study counter where up to five people can work in relative quiet. This is a wonderful addition to our library, and we are very grateful to the Frank Cowan Company Home Town Program and to their local partner, Secure Insurance Solutions, for this assistance.”

**Terry Reidel, Executive Director, The Cowan Foundation**
“We are pleased to support Frank Cowan Company’s Home Town Program because it provides us with an opportunity to make a positive difference in the lives of Canadians and the broader well-being of our communities by supporting initiatives that are important to municipalities across Canada.”
